

Reverse Advent Calendar for Taunton FoodBank

Can you help us at Taunton FoodBank with an alternative take on the advent calendar?

We are asking you to set aside a box (at home or at work) and then from the 1st of December until Christmas Eve simply donate an item from our shopping list to the box. Then, bring your advent calendar along to our distribution centre on the Belvedere Road Industrial Estate on Monday 9th of January 2017 between 10.00-11.30 in the morning.

Your gift will then be given to our neighbours in crisis and support them and their families with emergency provisions for three days.
