

Christmas Newsletter 2025

Hello From Mike

We are delighted to welcome Mike as the new Director of Taunton Foodbank. His arrival marks an important milestone in our journey and opens an exciting new chapter for our whole team. We're pleased to share a few words from him below.

My name is Mike Turner and I am the new Director of the Foodbank. This is an exciting opportunity and I am thrilled to be part of such a great team. Having only been in the post for just over a week I am already amazed at the hard work of our volunteers and the fantastic generosity of the people from Taunton and Wellington. I look forward to continuing the great work of Sue and the team as we continue to provide support to the families and individuals who have fallen on tough times.

Originally from New Zealand, I have lived in Taunton for 25 years with my wife and family. In that time I have worked in education across several schools within Somerset. I thoroughly enjoyed my time in education but felt it was time for a new challenge and therefore have taken on this new role as Director of the Foodbank. I am looking forward to contributing to this wonderful Charity which supports the most vulnerable in our community and to work with all the fantastic volunteers and donors who support us.

May I take this opportunity to thank all our volunteers and donors for your hard work and generosity in 2025. I wish you all a Merry Christmas and a Happy New Year.

God bless
Best wishes
Mike

Message From Phil

As 2025 draws to a close, it gives an opportunity to look back at the year and highlight any trends the Foodbank has witnessed. The figures show an ongoing demand for our food parcels, with Clients fed being at a constant high in excess of 500 people per month, which is the average for the year. We have helped so many families in need and should be proud of this, but with the ongoing cost of living crisis and changes to benefits, on top of the hardship and ongoing struggles so many people face today, our demand just keeps on coming.

However, we are constantly surprised by the generosity of our donors. Be it stock or cash, we are regularly presented with collections of food or monetary donations from our wonderful supporters. We received nearly 4.5 tonnes of food over Harvest, particularly from schools and churches and the enthusiasm of the children was a joy to see.

Just recently we organised a Winter Food Drive at Tesco, which returned almost 1.1 tonnes in just 2 days, plus many cash donations.

Whatever we receive, from large food collections, to each tin of beans, regular donors to the one off collection for the charity, we are so grateful and clearly have an ongoing need within the communities we serve, in Taunton, Wellington and Wiveliscombe.

Obviously, the Foodbank can only continue with the support and dedication of our wonderful volunteers. All the food donations have to be collected and loaded bank to the warehouse, weighed in, sorted and stored, then packed into the food parcels we distribute each day. The continual hard work from our volunteers is incredible, in all departments and we are so very grateful for this. We have naturally lost some volunteers this year and found some new, but there are always opportunities for new people, be it van drivers, warehouse and packing teams, or distribution room, the work of the volunteers is invaluable.

So with Christmas just upon us, we wish you the happiest of times, but also our grateful thanks for all you do.

Best wishes
Phil

Packers United

Christmas period is without a doubt the busiest time at the Taunton Foodbank and our amazing team of volunteers in packing room are under the enormous pressure to get properly packed and prepared Christmas food boxes for people in need each day. Please read a few words of experience from working in a busy and demanding team shared by our packers at Taunton Foodbank:

No two days are the same and each session can be unpredictable. Not knowing which boxes will be needed or who will turn up from the community to generously donate to the food bank. Sometimes it feels we are chasing our tails but we all work in supportive teams and we all find it very rewarding.
